% achieving expected standard + in mathematics	100%	73%

3. Barriers to future attainment of pupils eligible for Pupil Premium	
Barriers	
A	Lower speech and language skills to express oneself. Lower confidence and/or self-esteem.
B	Lower reading and writing skills
C	Lower number skills
D	Fewer opportunities to access enrichment opportunities.

4. Outcomes		
Desired outcomes and how they will be measured		Success Criteria
A	Communicate clearly and confidently. Be able to recognise and express ones emotions. Join in with class activities and lessons, communicating with both adults and peers	PP children become more engaged in class activities and lessons through their spoken interaction skills.
B	To be reading and writing at the expected standard for the relevant year group. Correct pronunciation of the taught phonemes. Ability to segment and blend. Read and spell the common exception words for the appropriate year group. Write letters in the cursive style. Write sentences appropriate to the relevant year group.	PP children make expected progress and attainment for reading and writing for their relevant year group.
C	To be secure in number at the expected standard for the relevant year group. To be able to read, write and count numbers relevant for the year group.	PP children make expected progress and attainment for mathematics (focus on number) for their relevant year group.
D	Develop a sense of belonging, engagement, enjoyment and motivation	PP children are able to participate in and enjoy relevant enrichment opportunities. (school trips, age 5+ school milk, uniform)
