## Areas where you can help:

### MATHEMATICS

This half term we will be learning about: addition and subtraction including number bonds, place value and shape.

Areas where you can help:

COUNTING - Count on and back in ones, twos, fives and tens; say number bonds for numbers up to ten. E.g.  $4 + 2 = 6$ ,  $3 + 3 = 6$

### ENGLISH

This half term we will be learning about:

Writing sentences, facts, instructions and a letter to Santa.

Handwriting focusing on a correct pencil grip starting each letter from the line in a cursive style.

Areas where you can help:

READING - Share books regularly and follow guidelines for your child's book box level. Take time to discuss and enjoy the book.

WRITING - Provide opportunities for your child to have a go at writing lists, labels and Christmas cards.

SPELLING - Support your child in learning the weekly spellings.

PHONICS - The spellings sent home will include words that cover the sounds learnt that week.
