

## School Council Anti Bullying Policy

January 2018

The School Council discussed the following three questions in their class council meetings.

What is bullying?

How is it different from being teased or falling out with friends?

Who do we go to if we think we are being bullied?

After consulting with their classes the School Council have devised this statement on bullying:

### **What is bullying?**

Bullying is when someone keeps being mean to the same person over and over again.

### **How is it different from being teased or falling out with friends?**

Falling out with friends does not happen a lot and you soon make friends again.

Teasing might make you sad, or annoyed or unhappy but you would make up.

Bullying, you might or might not make up (**most thought not make up**). The bully would do the actions often and many times. They would not stop. They would keep doing it.

### **Who do we go to if we think we are being bullied?**

Tell an adult in school.

Tell your mum or dad.

Tell your friends or older brother or sister if you are scared to tell an adult and they will help you to ask a grown up for help.

In Year Two you can use the Worry Box.
