Friday 15<sup>th</sup> June 2018

Dear Parents,

### **Sports Morning**

As you are aware, our sports morning takes place on Friday 6<sup>th</sup> July, starting at 9.30am and finishing at approximately 11.00am. Our sports morning will again have a Mini Olympics theme this year. The children will be divided into four coloured teams, each representing a country. They will take part in five Olympic activities in their class groups and score points for their team. The activities will be adapted for each year group in order to reflect the skills they have been working on in PE lessons. The points collected in each class will be added together as a whole school and the winning team will have their ribbons tied to the Prior Heath Cup. Our Mini Olympics will conclude with all children taking part in flat races, with individual children being awarded with first, second or third. All children will receive a sticker for participating.

The activities will be spread along the track on the field and parents will be able to walk along the side of the track to support their children. A map of the track detailing which teams will take part on which side of the track with class starting points and designated areas for parent viewing will be sent out the day before the event. You are welcome to walk along the course as your child takes part in the races and for this reason no seats will be provided. However, you are welcome to provide your own seats or rugs if you wish (no gazebos please).

In order to clearly identify which coloured group the children are in, we would like parents to provide a coloured t-shirt for their child. Further information about this is in the children's book bags today.

### **Art Exhibition**

With reference to the letter of 8<sup>th</sup> February, on Monday 2<sup>nd</sup> July and Tuesday 3<sup>rd</sup> July, an artist in residence is coming to work at Prior Heath. His name is Tim Davies and he is coming to make large three dimensional willow and paper sculptures. This will involve the children working collaboratively and each child will attend one of the workshops over the two days to produce group pieces of art.

Parents are invited to view the sculptures in the school hall on the afternoon of Friday 6<sup>th</sup> July between 2.55 and 4.30pm. Please note that there will be no Street Dance afterschool club on this afternoon but Rocksteady will go ahead as normal.

Thank you very much for your contributions of £3 for this activity which is being part funded by the money raised from the 2017 art exhibition.

### **Wet Weather/Heatwave Plan**

In the event of wet weather, the sports morning will have to be cancelled. The sports morning may be rescheduled to 9.30am on Friday 13<sup>th</sup> July if possible. The Art Exhibition will take place on 6<sup>th</sup> July regardless.

If we are experiencing very hot weather we may need to change arrangements as it may be too hot for the children to be on the field for a long period of time. If this is the case, further information will follow nearer the time.

Yours sincerely,

Mrs Ellen McClelland  
Headteacher
